

ZONING AND LAND USE ASSESSMENT

MEETING 2: AGENDA

FEBRUARY 14, 2023

3:30 PM - 5:00 PM

3:30 PM Welcome and Introductions

Recap the previous meeting, discuss today's agenda, and review the collaborative space agreement and decision-making.

3:35 PM Timeline Historical Acknowledgment

What were some of the forces and power dynamics that resulted in the zoning that we have today? We'll review a couple of time periods and discuss who held power, who benefited, and who was harmed.

3:45 PM Pre-reading Debrief and Activity

Discussion Questions:

- *What do the stories in this article tell you about segregation in Chicago that you didn't know before?*
- *Of the topics that you learned about for the first time, what do you wish everyone knew? What would change if everyone knew it?*
- *If you could require one person (or one group) to read this article and the WTTW FIRSTHAND: Segregation series, who would it be? What would you hope their main takeaway would be?*
- *How often do these topics or pre-reading definitions come up in your work? In what ways?*

4:00 PM Definitions - Individual Activity

4:05 PM Definitions - Group Activity

- *Equity**
- *Sustainability**
- *Public Health**
- *Equitable Development*
- *Environmentally Sustainable Development*

4:25 PM Group Definition Review and Discussion on Definitions

5:00 PM Adjourn
