

ZONING AND LAND USE ASSESSMENT

MEETING 4: AGENDA

APRIL 17, 2023

3:30 PM - 5:00 PM

3:30 PM Get to Know You Activity - Human Bingo

Get to know your fellow Steering Committee members.

3:45 PM Review of Project and Phase Objectives

Refresh on what we are trying to accomplish as part of this phase of the project and how the Steering Committee activities fit into this strategy.

3:50 PM Definitions Review - Equitable Development

4:10 PM Activity: People and Processes Discussion

Handouts

- *Decision-making roles and responsibilities*
- *Simplified Zoning Process Worksheet*

Activity

- *Individual Activity: On your worksheet, write where you or your organization experienced a challenge or success as part of the zoning and land use process. Include how equity (sustainability or public health) was or was not reflected in what happened.*
- *Small Group Activity: Share what you wrote with others. MPC staff will facilitate and document the discussion on a flipchart. Answer the following questions:*
 - *Where did the challenge/success occur in the process?*
 - *Who was impacted and how were they impacted?*
 - *How was equity (sustainability or public health) reflected in what happened?*

5:00 PM Adjourn / Optional Happy (Half) Hour
