

SIMPLIFIED TYPICAL CHICAGO ZONING PROCESS

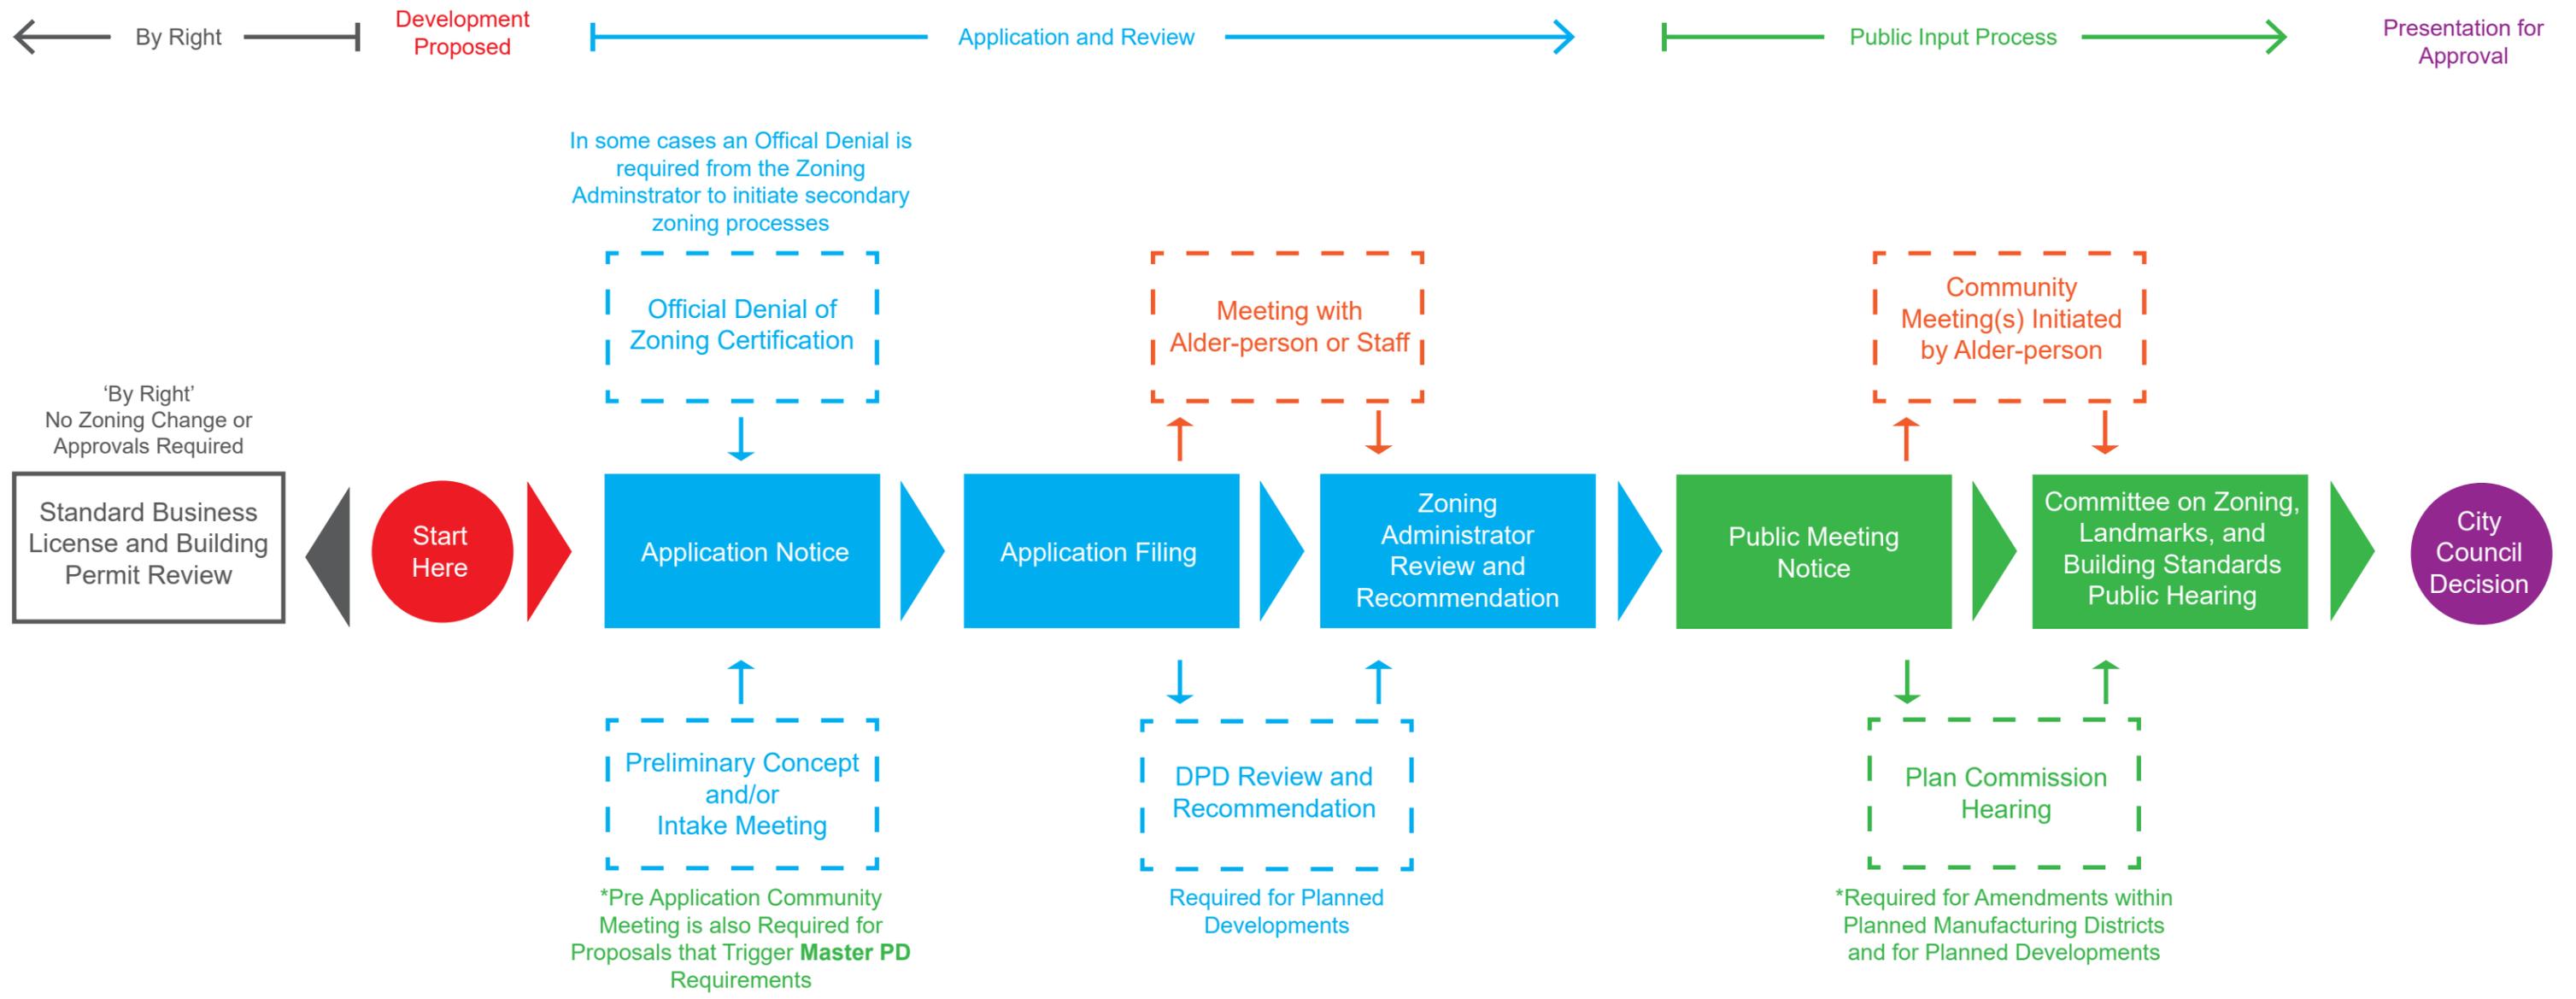

Diagram Key:

- Dashed steps** required only for certain proposals or processes
- Solid steps** required for most zoning processes
- Application and Review** (Blue)
- Public Input Process** (Green)
- Ward/Alder-person Review** (Orange)
- Presentation for Approval** (Purple)
- By Right or Permitted Use** (Grey)

Additional approval processes may be required depending on the proposal type, location, or scale. Those processes are similar, but not identical to the diagram shown here.

Examples may include: Air Quality Ordinance, Special Use Approval, Administrative Adjustments, and Zoning Appeals or Variances.
